

2022 Estimated Capital Gains – Baird Bond Funds

In accordance with IRS rules, mutual funds are required to distribute substantially all net investment income and net capital gains to shareholders. Therefore, some of the Baird Funds are required to make capital gain distributions in December. Funds normally distribute net capital gains earned through October 31st to all shareholders before the end of the calendar year.

Information concerning capital gain distributions will be provided at <https://www.bairdassetmanagement.com>:

November: an estimate of year-end required distributions. **These amounts could be subject to change.**

Mid-December: final notification of actual distributions to be paid in 2022.
