You may mail or overnight deliver your New Account Application to the transfer agent. Upon receipt of your completed New Account Application, the transfer agent will establish an account for you. The shareholder account number assigned will be required as part of the instruction that should be provided to your bank to send the wire. Your bank must include both the name of the Fund you are purchasing, the shareholder account number, and the name on the account per the New Account Application so that monies can be correctly applied.

This will ensure prompt and accurate credit to your account upon receipt of the fed wire. **Please note that the bank instructions used to issue a federal wire to fund your account must match the bank information provided with this new account application in order for the bank instructions to be established on your account for future use.**

Wired funds must be received prior to the close of trading on the NYSE (normally 4:00 p.m. Eastern Time) for the related purchase order to be eligible for same day pricing, except that orders provided in respect of advisory accounts (including other Baird funds) managed by Baird Funds or one of its related parties and orders provided by or through a broker-dealer or financial intermediary with whom the Funds (or their service providers) have a processing relationship may receive same day pricing so long as the related trade instructions are received timely. Note: If you make any changes to the bank instructions after the account has been established, you will be required to submit written documentation along with a signature guarantee from either a Medallion program member or a non-medallion program member. These include situations when the redemption proceeds are to be sent or payable to any person, address or bank account not on the Funds' record or if ownership is being changed on the account. This would also be required if a redemption request is received by the Transfer Agent and the account address has changed within the last 30 calendar days. More information appears in the Fund's statutory prospectus.

The Cost Basis Method you elect applies to all covered shares acquired from January 1, 2012 forward and to all identically registered existing and future accounts you may establish, unless otherwise noted. The Cost Basis Method you select will determine the order in which shares are redeemed and how your cost basis information is calculated and subsequently reported to you and to the Internal Revenue Service (IRS). **Please consult your tax advisor to determine which Cost Basis Method best suits your specific situation. If you do not elect a Cost Basis Method, your account will default to Average Cost Basis.**

- ☐ **Specific Lot Identification** – you must specify the share lots to be sold at the time of a redemption (This method requires you elect a Secondary Method below, which will be used for systematic redemptions and in the event the lots you designate for a redemption are unavailable.)

Secondary Method – applies only if Specific Lot Identification was elected as the Primary Method (Select only one)

- ☐ First In, First Out
- ☐ Last In, First Out
